**Carson Bros. Tractor Co. in Georgia named Apache Sprayer Dealer**

MOORESVILLE, Ind., February 10, 2012—Equipment Technologies (ET) proudly announces the addition of Carson Bros. Tractor Co. of Americus, Georgia to its family of dealers.

ET's regional director Paul Nielsen says, "We are honored to add such a well-established implement dealer to the Apache family. It is rare to find a partner with a balance of application expertise and farmer focus that matches us so well."

President of Carson Bros. Tractor Co. Chip Carson says, "We have been proudly serving the Americus, Georgia and surrounding area since 1965. We are thrilled to add the Apache sprayer, such a dependable machine, to the line of products we offer. We have deep experience in spraying and an established customer base of applicators. We are looking forward to hitting the ground running and introducing the Apache to our customers."

Equipment Technologies is the largest independently-owned manufacturer of self-propelled sprayers in North America. Operating from its 146,000 square foot headquarters in Mooresville, Ind., the company distributes its sprayers throughout North America, Ukraine and Australia through a network of independent dealers.
