

WHY RUN WITH APACHE?

AS1230 XP SPRAYER

THE APACHE MODEL AS1230 XP SPRAYER

Comfort. Speed. Accuracy. Efficiency. That's exactly what you get from every Apache sprayer. They're built to handle the everyday (and not-so-everyday) field conditions with a higher standard of comfort and performance. And, because all we do is build sprayers, we're 100% focused on building the best sprayers in the industry, backed by the best warranty in the industry.

The Apache AS1230 XP sprayer is the highest-capacity model in the lineup. It features a 1,200-gallon tank so you spend less time refilling and more time spraying. Its mechanical drive makes it simple to operate and maintain, while nimble enough to work in field conditions competitive sprayers can't. It's 14,300 pounds lighter than a Deere 4045, reducing yield-robbing compaction. When the days are long, its 35 mph road speed will get you to the next field (or home) faster.

UNIQUE FEATURES OF THE AS1230 XP

Tank Capacity

1,200 gallons

Transmission

ZF Power Shift, 6-speed with
lock-up torque converter

Engine

Tier 4 300 hp
Cummins engine

Top Road Speed

35 MPH

Weight

21,000 lbs (approx. dry weight)

Crop Clearance

50" clearance with 18" drop box all-gear
final drives

THE APACHE MODEL AS1230 XP SPRAYER

Specifications

Tank Capacity	1,200 gallons
Transmission	ZF Power Shift, 6-speed with lock-up torque converter
Engine	Tier 4F 300 hp Cummins engine
Top Road Speed	35 MPH
Weight	21,000 lb (approximate dry weight)
Crop Clearance	50" with 18" drop box all-gear final drives
Fuel Capacity	90 gallons
DEF Tank	5 gallons
Suspension	Patented independent hydraulic
Brakes	Fully-enclosed, self-adjusting, internal wet disc brakes
Front Tires	380/80R38 (narrow and semi-float options available)
Rear Tires	380/90R46 (narrow, semi-float and full-float options available)
Transport Width and Height	144" maximum
Overall Length	290" maximum
Booms	ET custom boom straight 90' or 100' or 60'/90' ET custom boom Pommier Straight 120' or 132'
Product Pump	HYPRO® hydraulically-driven centrifugal product pump
Rinse Tank	100 gallons
Cab	ET custom pressurized state-of-the-art interior and console
Precision Application Equipment	Raven Hawkeye™ or Trimble (factory installed)

All model year 2017 Apache sprayers are available with optional ISOBUS-ready wiring in lieu of factory installed field computers. Refer to your specific precision agriculture product documentation for compatibility information. Equipment Technologies factory installs all field computers using CAN bus wiring and protocols.
