

AS1230 XP

THE APACHE MODEL AS1230XP SPRAYER

Comfort. Speed. Accuracy. Efficiency. That's exactly what you get from every Apache Sprayer. They're built to handle the everyday (and not-so-everyday) field conditions with a higher standard of comfort and performance. Because all we do is build sprayers, we're 100% focused on building the best sprayers in the industry.

The Apache AS1230 XP Sprayer is the highest-capacity model in the lineup. It features a 1,200-gallon tank so you spend less time refilling and more time spraying. Its mechanical drive makes it simple to operate and maintain, while nimble enough to work in field conditions competitive sprayers can't. It's 14,300 pounds lighter than a Deere 4045, reducing yield-robbing compaction. When the days are long, its 35 mph road speed will get you to the next field (or home) faster.

UNIQUE FEATURES OF THE AS1230

Tank Capacity
1,200 gallons

Transmission
ZF Powershift, 6-speed with lock-up torque converter

Engine
Tier 4F 260 hp
Cummins engine

Top Road Speed
35 mph

Weight
21,000 lbs (approximate dry weight)

Crop Clearance
50" clearance with 18" drop box all-gear final drives

THE APACHE MODEL AS1230 XP SPRAYER

TANK	TANK CAPACITY	1,200 gal
ENGINE & DRIVETRAIN	TRANSMISSION	ZF Powershift, 6-speed with lock-up torque converter
