The AS730 has **19.7 percent** more power than the John Deere R4030.
The John Deere R4030 is **30.9 percent** more expensive than the AS730.

"It's phenomenal the return on investment it brings back. It's a hundred thousand dollars less than any other machine and we're pretty green around here. With this thing we were able to go brand new versus used with the green machine."

– Andy Smidt, Trumbull, NE (5,000 acres sprayed)
