

# THE BEST WARRANTY IN THE INDUSTRY

The best sprayer on the market is backed by the industry's best warranty. Every Apache that rolls off the assembly line comes with a five-year limited warranty. Equipment Technologies is the only manufacturer with full machine coverage for the first two years (<1,000 hrs).

**Years 1-2:** Limited warranty covers the total machine – parts and labor – for the first two years from warranty start date or 1,000 hours, whichever comes first.

**Years 3-5:** Limited warranty covers powertrain and chassis components for parts only from the warranty start date or 2,000 hours, whichever comes first.

**Engine Warranty:** The limited engine warranty is covered by Cummins Inc. for two years or 2,000 hours from the warranty start date, whichever comes first.

"The Apache warranty, I feel, is a true value of what they offer and what they cover. For [Equipment Technologies] to be able to put a 5-year warranty on a piece of equipment says that they definitely stand behind it and feel like they've done the best they can in building a quality product."

— Nate Kuntz (Covington, Ohio)
