

# AS1050

**With a 1,000-gallon capacity tank, the versatile Apache AS1050 is the most popular model in the lineup, and includes boom and precision options to fit any operation. The product tank is large enough to cover acres, yet light enough to spray in challenging conditions.**

**Tank Capacity:** 1,000 gal | **Weight:** 21,500 lbs

**Crop Clearance:** 42" with JCB planetary final drive or 50" with all-gear final drive (optional)

**Engine:** Cummins Performance Series V, 225 hp (rated)

**APACHE** by **ET**
