

HS1100

Engineered for those seeking performance, crop clearance, ease of use, and flexibility—all with an industry-leading 5-year warranty. Lighter than the competition, it adjusts automatically from 60 to 70 inches, making it the tallest rear boom sprayer in North America.

Tank Capacity: 1,120 gal | **Weight:** 28,225 lbs

- Crop clearance that changes quickly from 60" to 70"
- 4 Wheel and Crab Steering
- Raven and CapstanAG Precision Options
- Front fill for product and rinse tank

Engine: Cummins 6.7L 300 hp (rated)
